

BuildingPoint Technology Dealer Established in the North Atlantic Region

BuildingPoint North Atlantic Joins the First Fully Dedicated Global Distribution Network for Technologies Spanning the Design-Build-Operate (DBO) Lifecycle

WESTMINSTER, Colo., July, 6, 2023—Trimble (NASDAQ: TRMB) announced today that a BuildingPoint™ distribution partner has been established for the North Atlantic region, covering Maine, Vermont, Rhode Island, Massachusetts and New Hampshire. [BuildingPoint North Atlantic](#) joins the growing BuildingPoint partners network that provides focused sales and services with a portfolio of software and hardware solutions for the Design-Build-Operate (DBO) lifecycle of buildings.

BuildingPoint dealers represent Trimble Buildings' solutions—a portfolio of synergistic hardware, software and service offerings that allow users to create and transfer constructible models throughout the DBO lifecycle. Trimble is dedicated to transforming the planning, design, construction and operation of buildings through advanced, accessible, intuitive technologies. Trimble Buildings' solutions provide an unprecedented capability to improve productivity, schedule adherence and cost discipline through tighter coordination, improved project transparency and collaboration—enabling stakeholders to realize greater agility, efficiency and insight.

BuildingPoint dealers will provide the primary vehicle for bringing Trimble's DBO solutions to the market. Experienced construction professionals in each regional BuildingPoint will support users in achieving the optimal construction technology solution for each project. This support will consist of a combination of hardware and software, consulting, virtual design and construction services, personalized training and technical support.

Headquartered in Massachusetts, the BuildingPoint North Atlantic team will be under the leadership of Corey Bell. Corey is also the CEO for BuildingPoint Mid-America and his industry expertise and solution-driven mindset will be an asset as he launches this new dealership. Corey and his local team using their domain experience will serve architects, concrete contractors, MEP contractors, GCs and construction managers, owners, and occupiers across the DBO lifecycle of a building throughout Maine, Vermont, Rhode Island, Massachusetts and New Hampshire.

About Trimble Buildings

Trimble Buildings, a part of Trimble's Buildings and Infrastructure segment, is focused on solutions that optimize the complete Design-Build-Operate (DBO) lifecycle of buildings. Trimble is dedicated to transforming the industry—increasing productivity, reducing waste and optimizing schedules, budgets and real estate portfolios—with powerful solutions that streamline communication and collaboration. These targeted solutions enable architects, engineers, contractors, owners, and occupiers to realize greater agility, efficiency and insight. Used in over 150 countries around the world, Trimble Buildings' solutions are transforming the way the world designs, builds and operates infrastructure and buildings.
