

Trimble receives expected notification of deficiency from Nasdaq related to delayed filing of annual report on Form 10-K for fiscal 2024

WESTMINSTER, Colo., March 26, 2025 /PRNewswire/ -- Trimble Inc. (NASDAQ: TRMB) (the "Company") today announced that it received an expected deficiency notification letter from the Listing Qualifications Staff of The Nasdaq Stock Market LLC ("Nasdaq") on March 20, 2025 (the "Notice"). The Notice indicated that the Company is not in compliance with Nasdaq Listing Rule 5250(c)(1) (the "Listing Rule") as a result of its failure to timely file its Annual Report on Form 10-K for the period ended January 3, 2025 (the "2024 Form 10-K") with the Securities and Exchange Commission (the "SEC"). The Listing Rule requires Nasdaq-listed companies to timely file all required periodic reports with the SEC.

The Notice has no immediate effect on the listing or trading of the Company's common stock on the Nasdaq Global Select Market. In accordance with Nasdaq's listing rules, the Company has 60 calendar days after the Notice to submit a plan to regain compliance with the Listing Rule. Pursuant to the Notice, following receipt of such plan, Nasdaq may grant an extension of up to 180 calendar days from the Form 10-K's due date, or until July 2, 2025, for the Company to regain compliance. The Company intends to take the necessary steps to regain compliance with Nasdaq's listing rules as soon as practicable.

As discussed on the Company's earnings call on February 19, 2025, the Company's audit process for fiscal year 2024 has been delayed due to the time required to prepare and file (i) an amendment to the Company's Form 10-K for fiscal year 2023 and (ii) the Quarterly Reports on Form 10-Q for the first three quarters of fiscal year 2024, all of which were filed on January 16, 2025. Nothing has come to the Company's attention which causes it to believe that the financial results included in the 2024 Form 10-K will differ from those presented in the Company's press release dated February 19, 2025 announcing the financial results for its fourth quarter and fiscal year ended January 3, 2025. The Company expects to file the 2024 Form 10-K as soon as practicable.
